

Neighbourhood Watch in Ku-ring-gai and Hornsby

eNewsletter # 356 - 06 August 2018

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in Ku-ring-gai and Hornsby council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues.

The eNewsletter includes a selection of posts from the [Kuring-gai PAC Facebook page](#) (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from an other Police command ("Crooks know no boundaries!").

📧 Have you seen anything we should share with the community? [Please email](#) our NHW in Ku-ring-gai & Hornsby volunteers. We do value your contributions. Thank you for your support.

📧 Please feel free to [share/forward this eNewsletter](#) with your friends, family, colleagues and neighbours.

06 August, from Burwood command: How secure is your? 🏠🔒

Criminals are often opportunists and will target homes with poor home security to steal belongings. 🙌👉 Here are some top tips to secure and protect your home.

🔒🔒 SECURE YOUR HOME 🔒🔒

- Ensure your street number is clearly visible.
- Keep trees and shrubs trimmed to improve visibility around your home
- Lock away items such as ladders, tools and gardening equipment.
- Don't leave spare keys outside the home.
- Don't leave valuables, mobile devices or keys (home or vehicle) in clear view.
- Mark valuable property and record details (i.e. Driver Licence Number).

06 August, from Crime Stoppers: “I called the Police Assistance Line to report a crime and police didn’t even bother to come and see me!”

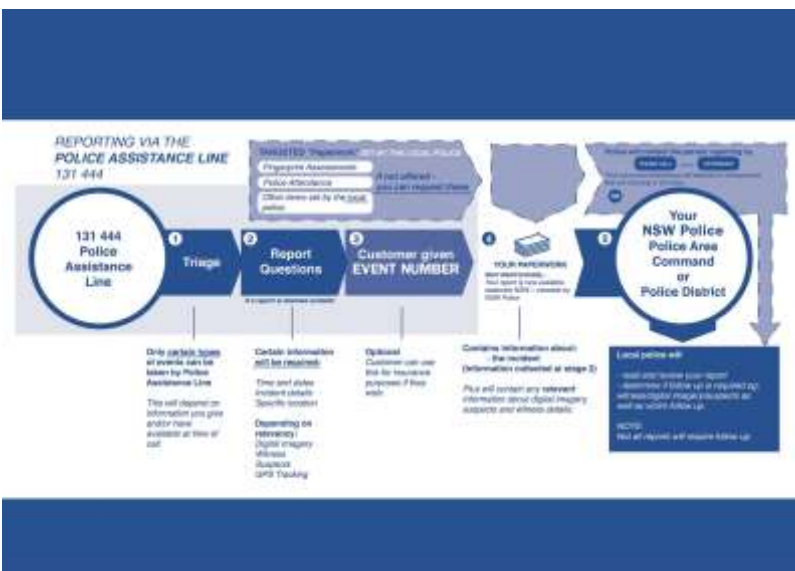

This is a common complaint we hear, however, do you know what happens when you ring the Police Assistance Line to report a crime? Check out the infographic below to find out.

You can call the Police Assistance Line to report:

- Break and Enter
- Stolen Vehicles
- Theft
- Malicious Damage – includes Graffiti
- Fraud
- Lost Property
- Intentional Fire
- Minor Motor Vehicle Accidents (towing and/or late injury)

The Police Assistance Line is open 24/7 on 131 444.

05 August, from NSW Road Safety: It is illegal to park across a driveway or footpath as it can force people onto the road, including children in prams and people on mobility devices.

04 August, from NSW Police: Police are appealing for information after two children were approached in Wahroonga earlier this week.

About 3.30pm on Thursday 2 August 2018, two girls, aged 11 and 12, were allegedly followed leaving school on Woonona Avenue, to Wahroonga Railway Station. Once on the eastern side of Woonona Avenue, an unknown man who was walking south along Woonona Avenue followed the girls to the train station. The man tried to start a conversation with the pair, but the girls walked away. Officers from Ku-ring-gai Police Area Command were alerted and commenced investigations.

As part of their inquiries, police would like to speak to a man who may be able to assist police. He is described as being of Indian/Sub-Continental appearance, aged between 30 and 40 years, approximately 160cm -170cm tall, of large build, and wearing glasses. He was last seen wearing a navy woollen jumper and white and orange shorts.

Anyone who was in the area at the time of the incident and noticed something suspicious, recognises the description of the man, or who has information that may assist police with their inquiries is urged to contact **Crime Stoppers on 1800 333 000**.

04 August, from The Hills command: One of the most frustrating things Police come across every day is driving with their lights and sirens on in the right-hand lane being stuck behind a driver no knowing what to do who starts breaking suddenly or slows completely.

If you are in the right-hand lane and there is a Police vehicle behind you with its lights and sirens on, please merge to the left lane when it is safe to do so and let the Police vehicle pass. For all the other vehicles on the road, please let the vehicles in the right lane in when they are trying to merge into the left to let the Police vehicle pass. Think about the emergency we may be travelling to. It could be your family member who may be in trouble. Tips for assisting emergency vehicles:

- >> Do not panic
- >> Slow down (but do not brake rapidly)
- >> Use your mirrors
- >> Use your indicators
- >> Be aware of other motorists and traffic
- >> Don't play music too loudly; make sure you can hear outside sounds
- >> Do not suddenly deviate from your lane
- >> If you cannot move out of the way safely, keep moving forward until it's safe to do so.

There is also a new rule to take note of: 40km/hr rule to protect our emergency service workers and volunteers. This will begin as a 12 month trial from 1

THORNLEIGH A 19-year-old man's plan to steal thousands of dollars worth of goods from Bunnings Thornleigh has been foiled after he pretended to work at the warehouse. The attempted theft happened about 2pm on Sunday when a Bligh Park man filled a trolley with power tools and other goods. He then allegedly pulled on a Bunnings shirt and loaded the goods into a large rubbish bin on wheels. He tried to wheel the bin out of the premises with the goods worth \$5800 but was confronted by staff. Police attended and he was bail refused and ordered to front Hornsby Court on September 5.

TURRAMURRA A 41-year-old Yennora man has been charged months after allegedly stealing a large amount of multivitamins from a chemist at Turramurra. The man was identified on CCTV and police have now charged him over the alleged theft on September 8, 2017. He will face Hornsby Court on September 12.

BEROWRA An L-plater has been charged with driving unaccompanied and failing to stop for police. The man was driving north on the M1 at Berowra on Saturday about 12.45pm when police signalled for him to pull over. Police called off a chase to avoid any incidents with other drivers. Gosford police stopped the man near Somersby.

HORNSBY A 19-year-old Berowra Heights man will face court after testing positive for driving under the influence of cannabis. The man was pulled over on July 7 and failed a random drug test. He was taken to Hornsby police station and failed a secondary test. He is due to face Hornsby Court on September 13.

HORNSBY Police are still investigating a shocking incident at Westfield Hornsby where a mother of three received a tirade of abuse inside a parents' room at the shopping centre. A man threatened to kill and dismember the woman about 12.30pm last Monday while she was in the room with her three children.

Neighbourhood Watch has an FAQ series under development. Here is FAQ

#7 - What should I do when my pet goes missing?

Would you know what to do? We will be uploading this and more to our website

NHWKuringgaiHornsby.org.au

This information was compiled by those involved with Neighbourhood Watch within Ku-ring-gai and Hornsby council areas. Please contact your Crime Prevention Officer at Hornsby Police Station for more information. Phone: 9476 9799.

FREQUENTLY ASKED QUESTION #7:

WHAT SHOULD I DO WHEN MY PET GOES MISSING?

Put all of your energy into it, and with a little help from friends and neighbours, hopefully you can bring your beloved pet back home!

1. Begin searching for your pet IMMEDIATELY! Do not wait in the hope that they will find their own way home. The whole time your pet is missing they are at risk: Risk of being hurt by a car or person or another animal and at risk of getting sick, dehydrating or starving. Consider this an EMERGENCY!
2. Ask neighbours to check in sheds and garages just in case your pet was accidentally locked in.
3. Contact all animal shelters, council pounds & vets – even the ones outside of your area.
 - Call the animal division of the council to find out if they have your pet.
Hornsby Shire Council pound - Ph 9847 6853
Ku-ring-gai Council pound - Ph 9484 7418
 - Animals that are found in Hornsby Shire may be picked up by a Hornsby Council Ranger and taken to Sydney Dogs and Cats Home Inc. This is a pound located at 77 Edward Street, Carlton, Ph 9587 9611.
 - Do the rounds of pounds and animal shelters yourself – go at least once a week. Daily phone calls to these facilities can be made, but there is nothing like checking for yourself.
 - If your pet is taken into a pound or shelter it will be held for 7 days if found to be without any traceable identification and 14 days if micro-chipped or having some sort of other traceable identification.
 - Check each cage carefully – sometimes you may not recognise your pet, particularly if it is frightened and huddled in the corner or under the bed.
 - Ask at each facility where the injured strays are kept, as usually these will be housed in a separate area.
 - Consider the help of private organisations such as Lets Find Your Pet at www.letsfindyourpet.com.au [Note: NHW cannot endorse a product or service.]
5. If your pet is micro-chipped, contact your council and ask them to note on the Companion Animals Registry that your pet is missing.
4. Contact pet finding organisations such as Pet Search, Lets Find Your Pet, who, for a fee, will help you search all of the pounds and shelters: www.petsearch.com.au 1300 309 004 email help@petsearch.com.au and Lets Find Your Pet www.letsfindyourpet.com.au email letsfindyourpet@oxi.com.
5. Make up leaflets with a description of your pet and drop them in letter boxes.
6. Put signs up around your area. If you have a busy road nearby, take advantage of the traffic and tell them about your lost pet. Note: An A4 poster won't be seen at more than 50kph.
7. Stick with one design, as repeated viewings of a consistent message are more likely to remain in people's minds.
 - Include a big, bold headline that people can read from a distance.

FAQ#7: What should I do when my pet goes missing? continued

- A photo would be ideal.
- List their breed, gender, colour, age, weight, distinguishing features, and where & when they were last seen.
- Provide your name & two phone numbers; yours & a friend/relative in case you can't be reached.
- Good places to post your flyers may include:
 - ✓ Dog runs and parks, community noticeboards
 - ✓ Pet supply stores and pet grooming shops/mobile services
 - ✓ Veterinary offices
 - ✓ Various commercial establishments, such as grocery and convenience stores, gas stations, laundromats, bars, cafés and restaurants.
 - ✓ Lampposts and trees
 - ✓ Cover extra heavily the areas where you think your pet was lost, as well as busy commercial and pedestrian sections of your town.
 - ✓ Around schools, at kids' eye level. Children can be more observant than adults, especially when it comes to animals.
- Note, be sure to ask permission before posting your flyers! Please remember to remove them!
- 8. If you have recently moved, check your old home regularly. Leave food out in the place you used to feed your pet and ask neighbours to keep an eye out and contact you if they should see your pet. Put up signs and do a "letter box" drop in this area also.
- 9. HIT the Internet: Send your flyer via email to local friends, colleagues, neighbours and family members, and ask them to pass on the info to anyone they can. Post messages to animal forums and message boards run by groups based in your area—lots of parks and dog runs have online communities. Try Facebook groups/pages, eg Lost & Found Pets in NSW, or Twitter.

MOST IMPORTANT OF ALL... Keep looking!! Even if it is weeks after your pet went missing. Sometimes people that find stray animals keep them for a while before handing them in. Or perhaps your pet was so frightened whilst lost that it took a while before anyone could catch it and take it to a pound or shelter?

POUNDS: Ku-ring-gai, Hornsby and Willoughby Animal Pound, Thornleigh Veterinary Hospital, 180 Pennant Hills Road, Thornleigh NSW 2120, Ph: 9484 2166

RELATED FACTS

- Some people are so convinced that the pet was ill-treated that they ignore contact information on the pet's collar.
- Get involved! Help people in your neighbourhood find their lost pets!
- Report any stray animals you see! Subscribe to the Lost Pet Alert at www.petsearch.com.au and they will email details of pets that are reported missing in your neighbourhood.

01 August, from the NSW Police: A man will face court later this month after two people died in a crash north of Sydney yesterday afternoon.

About 4.50pm (Tuesday 31 July 2018), emergency services responded to reports of a crash involving a truck and five cars, northbound on the M1, just north of the Mooney Mooney bridge. On arrival, officers found a truck had crashed into the back of one of the cars and caught fire. Two men, believed to be aged 19 and 52, who were travelling in a Ford utility died in the crash. They are yet to be formally identified. A 75-year-old woman, who was driving a Kia Rio sedan, was taken to Royal North Shore Hospital for further treatment. The remaining drivers and passengers were taken to Gosford Hospital for further treatment. They were: two women, aged 36 and 34, travelling in a Hyundai i30; a 44-year-old woman driving a Hyundai Tuscon and a 62-year-old woman driving a Mazda 3.

A 30-year-old male truck driver was charged with two counts of dangerous driving occasioning death and one count of dangerous driving occasioning grievous bodily harm. He was also charged with negligent driving occasioning death and negligent driving occasioning grievous bodily harm. His licence was suspended and he was granted conditional bail to appear in Gosford Local Court on 21 August 2018.

31 July, from NSW Police: The body of a woman located on Sydney's upper north shore last week has been formally identified.

About 8.30am on Wednesday 25 July 2018, officers established a crime scene near the M1 at the Berowra off-ramp, after the body of a woman was located. The woman has now been formally identified as a 28-year-old Campsie woman Qi YU. A 19-year-old man has already been charged with her murder and is currently before the courts.

Anyone with information about this incident is urged to contact **Crime Stoppers: 1800 333 000** or <https://nsw.crimestoppers.com.au>. Information is treated in strict confidence.

A reader questioned the new law we mentioned in our weekly eNewsletter "Do we have to go at 40km/h every time we pass the police station and there's a police car parked outside?"

The answer is in this link below - only when the emergency vehicle is stationary and the red & blues are flashing. So if the police car parked outside the police station hasn't its red & blues flashing, then you can go at normal speed. Note, you are also required "to give way to any person on foot in the immediate area of the emergency vehicle."
