

# Neighbourhood Watch in Ku-ring-gai and Hornsby

**eNewsletter # 366 - 15 October 2018**

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in Ku-ring-gai and Hornsby council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues.

The eNewsletter includes a selection of posts from the [Kuring-gai PAC Facebook page](#) (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from another Police command ("Crooks know no boundaries!").

📧 Have you seen anything we should share with the community? [Please email](#) our NHW in Ku-ring-gai & Hornsby volunteers. We do value your contributions. Thank you for your support.

📧 Please feel free to [share/forward this eNewsletter](#) with your friends, family, colleagues and neighbours.

"We've got over 75,000 cars using the M1 between the Central Coast and Sydney every day and this will vastly improve safety keeping trucks from moving in and out of the right-hand most lane." Strict penalties will be in place for those caught breaking the rules from November 1.

Please SLOW down and take care with the current weather conditions impacting on the Central Coast. Please turn on your lights, slow down and take precautions re: water on the roads.

## DRIVING IN THE RAIN

**1 TIME**  
Give yourself more time for heavy traffic due to rain.

**2 FOLLOWING DISTANCE**  
Keep a safe following distance between you and the vehicle in front of you.

**3 SPEED LIMIT**  
Obey the speed limit and drive slower in the rain; the roads are very slick when wet!

Turn on your headlights when driving in rainy weather.

**5 WINDSCREEN WIPERS**  
Make sure that the windscreen wipers are in proper working order; change the wiper blades before the rainy season arrives.

The latest in the 20 Tips series, "Our 20 Favourite Crime Prevention Tips for Garage Sales" is published just in time for the Garage Sale Trail on the weekend of 20/21 October 2018.

Get your copy from [NHWKuringgaiHornsby@gmail.com](mailto:NHWKuringgaiHornsby@gmail.com), or download from [www.NHWKuringgaiHornsby.org.au/Tips/](http://www.NHWKuringgaiHornsby.org.au/Tips/).

[More info on the Garage sale Trail here.](#)

This list was compiled by those involved with Neighbourhood Watch within Kuringgai and Hornsby council areas. Please contact your Crime Prevention Officer at Hornsby Police Station for more information. Phone: 9476 9799.

OUR 20 FAVOURITE CRIME PREVENTION TIPS FOR: **GARAGE SALES**

1. NEVER ANSWER PERSONAL QUESTIONS about your alarm system, regular habits, living situation, children's schools, what's in your house, etc.
2. MAKE ABSOLUTELY SURE that all valuable items are securely stored inside the house. Don't be tempted to hide your handbag/keys/purse/wallet/phone outside.
3. ENSURE ALL POSSESSIONS THAT YOU DO NOT WANT TO SELL (or have stolen) are out of sight/covered and/or secured, eg bikes, wine, surf boards, plants in containers(!).
4. KEEP THE ITEMS inside the property boundary, ie not on your council strip. Despite the name 'garage sale', it is advisable to have the items on your lawn/driveway. Collect expensive items all in the one place nearest to you/ the intended checkout table. To avoid concealment opportunities, put large items around the outside of the area. Video the whole area outside your home as a simple inventory of items for sale AND any not for sale (see #6 below).
5. YOU CANNOT SELL dangerous goods, chemicals, faulty electrical items, or firearms.
6. AFTER THE GARAGE SALE, check that all home security systems are operable & have not been disabled to help facilitate later unauthorised entry. Conduct an inspection (using video inventory in #4 above) to identify any missing items. Please remember to remove all advertising after the event.
7. CHECK WITH YOUR INSURANCE company to ensure you are covered for any thefts that occur as a result of a garage sale at your dwelling. Look online for council rules.
8. IT NEVER HURTS TO TAKE PRECAUTIONS. Apply all necessary security measures prior to and after the garage sale, eg In case of customers looking the night before, lock all doors & windows, set the alarm, leave lights on, etc.
9. LOCK ALL DOORS INTO YOUR HOME, including any joining doors, garage doors, shed doors, yard gates, even if you plan to go in and out during the day. Remove keys. Don't be tempted to pop a door on the latch. Set your alarm system. Advise neighbours to also lock their properties and be vigilant.
10. DO NOT ALLOW ACCESS to your property, eg to use your bathroom, or to try on clothes. Use an extension cord from your home/garage to test any electrical items.

**ENGLISH**

OUR 20 FAVOURITE CRIME PREVENTION TIPS FOR GARAGE SALES continued

11. BE CAREFUL OF DISTRACTIONS, eg by a request for water, or to borrow your phone. Beware of criminals working as a team. One person may engage you chatting, whilst the other steals items, or enters your property (see #9 above!).
12. NEVER BE ALONE—Ask for help running the garage sale, preferably 2 or more. Invite friends to sell their items with yours and thus gain help. And remember water, sunscreen, hat, food, medicine, and how will you take a toilet break?
13. IF YOU HAVE KIDS OR PETS, consider lending them out for the day. They are difficult to supervise, vulnerable & may distract you from the customers.
14. CRIMINALS ARE JUST LIKE US. They don't advertise the fact. Even little old ladies can be thieves. Greet all shoppers, so they know they have been seen. Mingle, make eye contact and be observant: age, height, clothing, hair & eye colour, etc. Would-be burglars may be scoping your home as a future target.
15. DON'T BE BULLIED! Stand your ground. Some people can get aggressive about getting a look, or a price. Be prepared to call for help with an unruly shopper.
16. ACCEPT ONLY CASH. Keep all money on you, eg use a 'bum belt/fanny pack', rather than a cash box. Remove accumulated cash during the day. Beware large notes – they could be used in an attempt to see how much money you have, or counterfeit. Familiarise yourself with the checks for counterfeit notes: <https://banknotes.rba.gov.au/counterfeit-detection/counterfeit-detection-guide/>
17. CHARGE YOUR PHONE the night before & have it on you. Ensure emergency numbers are in your phone (see below). If in doubt – phone! Alternatively, you could use your home/ car's panic alarm. Consider a personal alarm.
18. REASSURE FAMILY by sharing your position during the day, using a mobile phone App such as Glympse. Use the camera phone for recording licence plates. Finish the sale before the light goes.
19. DO NOT ADVERTISE AS A 'MOVING SALE'. You probably advertised your address on the Internet, local trees & lampposts, newspapers, etc. Be aware that criminals read this info too. Typical sales tips say "advertise your 3 best items" or "flaunt what you've got!" Note – if you do, you are giving an indication of the kind of items you possess. Do not wear expensive jewellery at the sale.
20. RATHER THAN AT HOME, suggest hosting with a group of others as a community sale at the local school/church/childcare centre. This protects you & your home.

## 15 October, PLEASE CAN YOU HELP? HAVE YOU CONTACTS IN KATOOMBA?

We have been given an update on the missing lady, Cecilia Devine by her mother: "There is still no news of Cecilia. There were sightings in Katoomba way back on the 5th and 6th September and I did see her and identified her on the CCTV footage at an ATM. No sightings since. I have no idea what to do or where to look for her. If you know anyone in Katoomba who may be able to keep a lookout for her. She may have moved on I have no idea. It's heartbreaking."

NHW Note: The original post we shared reached 137, 829 people, with 2,250 shares! Please would you try again just as hard, if not harder? Thank you.

### **12 October, from Australian Federal Police (AFP): SCAM ALERT**

Scammers are using the credentials of a small photography business to send out a phishing email. The email asks you to click a link to view a notice from the AFP about a legal violation. This email is a scam. Don't click on any links or attachments. Summons or court attendance notices are always served in person and the AFP never issues them via email. If you have broken the law and need to appear in court, we usually break that news to you face-to-face. Sometimes we even give you a lift to court... This type of email scam tries to trick you into giving away your personal details or clicking on a link that will download malicious software onto your device. If you receive an email like this, delete it straight away. Don't think twice about it or any follow-up emails.

**12 October, following an email to [NHWKuringgaiHornsby@gmail.com](mailto:NHWKuringgaiHornsby@gmail.com): Please keep a look out for these stolen items.**

They were taken from a Warragal Rd, Turrumurra home on 22 September and the owner is fraught because of the sentimental value. The photo of the criminal attempting to break into another home was shared on the Turrumurra Plaza noticeboard, but went missing. The owner says, "We'd also like help in finding that photo or any others of a man and woman who seem to be acting suspiciously. The woman we have seen carrying a blue bag or blue folder, the man has been sighted three times and each time wearing a hat. Both around 40, caucasian, middle height, fit."

Please phone **Hornsby police station 9476 9799** if you know anything or have relevant CCTV from around that time, or contact Crime Stoppers if you prefer to remain anonymous **1800 333 000**.

### 10 October, from the Hornsby Advocate:

A Hornsby man charged with starting a bushfire in 2010 at North Turramurra - eight years after the incident happened - has entered a plea of not guilty at Hornsby Local Court.

Richard Christopher Mikhael, 48, from Hornsby, entered a plea of not guilty in court today. He is facing two charges relating to the bushfire in the Ku-ring-gai Chase National Park on July 5, 2010 near Bobbin Head Rd. The charges include intentionally cause fire and be reckless as to its spread, and cause or set fire to the property of another, or crown/public authority. His case has been adjourned to Wednesday, November 21 with bail to continue. Police allege he carried a sponge soaked with accelerant into the park and started the fire. Fire services were quick to act and put it out.

**Hornsby** A 23-year-old man will front court for high-range drink driving and driving without a licence after allegedly doing burnouts in a carpark on Jersey St North. Police said the 23-year-old man was doing burnouts in an underground carpark about 12.15am on Monday in his relative's car. Police said the car then hit a retaining wall a number of times, which was witnessed by a resident who had

come out to see what the commotion was about. Police said they found the man still in the car a short time later, which was parked across a footpath. The man failed a breath test and was arrested. He later returned a breath analysis reading of 0.154. The man has never held a NSW driver's licence and was an international student. He will front court at a future date.

**Asquith** A man was assaulted at the Asquith Newsagency on Pacific Highway last Thursday afternoon. Two males entered the store about 1.30pm and an argument broke out between one of them and a staff member. The owner of the store has then told the pair to leave. However, the pair returned to collect some items they left behind. Upon retrieving them, the owner of the store has taken a photo of the man who was involved in the argument. The man then allegedly punched the store owner in the face causing bleeding. Police arrived and located the man nearby. Police are investigating the matter further.

**Waitara** Two cars were broken into at a secure, underground carpark on Park Ave between last Thursday night and Friday morning. A window was smashed to gain entry to one of the vehicles. Wallets containing credit cards as well as sun glasses were stolen from the two vehicles. One credit card was then used to make fraudulent purchases. The stolen and purchased items were valued at \$540. Police have been reviewing CCTV footage.
