What can we do for you?

- Are you displaying **Neighbourhood Watch stickers** on your front and back windows? These can be a deterrent.

Contact us for yours **FREE**. We can arrange for collection at your nearest police station (Gordon or Hornsby).

- Have you secured your vehicle rego plates with **one-way locking screws**?

Your plates don't have to be special to be stolen. They are simply used on another vehicle to avoid easy recognition. For example; criminals fill their car with fuel and fail to pay, or drive on toll roads with no electronic tag.

Contact us for your locking screws **FREE**.

- Are you impacted by drivers blocking your driveway? Paint white lines at each side of your driveway. These can be a psychological deterrent.

Contact us for **FREE** use of a **stencil** and all the rules, cones, & info you need.

- Have you marked your valuable items?

Marking your items can help return your property to you. It can also tie a criminal to a crime scene, allowing for a better chance of conviction.

Contact us for **FREE** use of an **engraver** and **ultra-violet pen**, along with advice on the best ways to mark your property.

- Need to borrow a **shredder**, request '**Do Not Knock**' stickers, or do you have parking, dog poo or scam problems? Contact us for help!
