

# Kuring-gai NSW Police Local Area Command (LAC)

**eNewsletter # 198 - 27 July 2015**

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in the Kuring-gai Police Local Area Command (LAC), which includes most of the Hornsby and Ku-ring-gai council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues.

The eNewsletter includes a selection of posts from the Kuring Gai LAC Facebook page [click here](#) (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from an other Police command ("Crooks know no boundaries!"). Have you seen anything we should share with the community? **[Click here](#)** to email Gordon NHW. We do value your contributions. Thank you for your support.

### **24 July, from ACMA: SCAM ALERT: Fake Telstra refund emails**

The ACMA has received hundreds of reports from Australians concerning Telstra refund emails. These emails are a phishing scam designed to trick people into clicking links and giving away personal information.

Here is an example of one of the scam emails in circulation. The subject line is: 'Your Telstra bill for account 2000XXXXXXXXXX is refunded'. The sender address was Telstraemailbill\_noreply9(at)online.Telstra.com. The scammers have copied real information from Telstra and at first sight it looks legitimate. But there are also obvious signs it is a scam. Can you pick them?

Do not click on the links if you receive an email similar to this and never reply to a suspected phishing email. To learn more about phishing scams and how to protect yourself, [click here](#).

### **25 July: Shared by a resident in Hornsby Heights:**

We still seem to have ongoing problems here in Tabell Close, Hornsby Heights, with our cars front and rear windows being damaged and scratched by a neighbour's cat sliding off the roofs of cars onto the bonnets or boots and thereby damaging our cars, including the paintwork! This seems to happen during the broad daylight in the afternoons and also in the late evening at dusk, as I have witnessed at least one cat doing this on several occasions! To replace my front and rear windows alone will cost me in excess of \$2000.

## Thanks to the Hornsby Advocate, 23 July:

### DON'T LEAVE YOUR CHILDREN IN THE CAR

Leaving your child or any child in a car is not only reprehensible, it is illegal. As I type this message we have a father in the dock to be charged for leaving his two-year-old in a car. While we were lucky it is a cooler time of the year, at no time is it reasonable or legal to leave a child unsupervised in a vehicle.

So much can happen. Children have died in the past.

Your police are outraged at this callous disregard for child safety and have zero tolerance.

We are sure the courts and Family and Community Services (formerly DOCS) will view it as seriously as we do.

- Detective Inspector Jon Gross,  
Kuring-gai local area command

**2 WAHROONGA** A shipping container at a building site in Woniara Ave has had its lock forced open between Monday, July 20, 3.30pm and Tuesday, July 21, 7am. Power tools and other building tools were stolen.

**3 WAHROONGA** Police are investigating after a home was broken into on Monday, July 20, between 11.15am and 3.30pm. An amount of jewellery was stolen from the Tanderra St address. Inquiries are continuing.

**4 GALSTON** Police are making inquiries after malicious damage was reported at a block of four townhouses in Sylvan St between 1pm, Thursday, July 16 and 9.30am, Saturday, July 18. All four letterboxes within the development had the front panels forced open. Police believe someone has attempted to steal some mail from one of the letterboxes. It is unknown whether anything was stolen from the other letterboxes. Opened mail from a different address in Galston was also found on the ground at the block.

**5 HORNSBY HEIGHTS** Two vehicles on Spedding Rd were broken into between 4pm Thursday, July 16 and 7.45am, Friday, July 17. It is unknown how the offender broke into the first car, a Honda Accord. The offender had rummaged through the interior of the car but did not steal anything. At the same location, a Subaru was ransacked after it was left unlocked. The victim's wallet was stolen, as well as change and bank cards.

**7 WAHROONGA** At 10.50pm, Monday, July 20, police stopped a silver Commodore travelling on the Pacific Hwy. A roadside breath test allegedly tested positive for alcohol. The male driver of the car, 31, was arrested and taken to Hornsby Police Station. A subsequent breath test conducted at the station returned a positive result of .059. The driver was charged with low-range drink-driving and will appear at Hornsby Local Court on August 6.

**6 HORNSBY** A home in Rosamond St was broken into between 10.30pm, Thursday, July 16 and 7am, Friday, July 17. The home's ground floor rear door was opened and \$150 was stolen from a bag. The victim said she heard a side gate opening at 5.30am Friday but didn't think much of it.

**8 HORNSBY** A woman has attempted to pay for goods with counterfeit money at a chemist. About 12.40pm on Wednesday, July 15, a woman, described as of Asian appearance, about 20 to 30 years old, medium build and wearing black pants and ugg boots, was captured on CCTV footage handing over a \$100 note to the chemist sales assistant. The assistant took the note and told police it felt different to usual Australian currency. The assistant saw the woman holding three \$100 notes but only attempted to pay with one. When the assistant questioned the authenticity of the money, the woman walked out of the store without making any purchases. Police are reviewing CCTV footage.

**9 TURRAMURRA** At about 4am on Friday, July 17, a cyclist business was broken into. Two men's yeti brand mountain bikes were stolen along with an amount of cash contained in a safe. The bikes are valued at \$800 and \$900. CCTV footage shows a male, using a set of bolt cutters, cutting through the wire security mesh and smashing the windows before gaining access. Police are reviewing the footage and will dust for fingerprints.

## **From Neighbourhood Watch Australasia (NHWA):**

**NEIGHBOURHOOD WATCH MEMBERS HAVE A VITAL ROLE TO PLAY AS THE GOVERNMENT ASKS US TO "FIND OUT WHAT YOU CAN DO TO HELP KEEP AUSTRALIA SAFE FROM TERRORISM"**

**Is a terrorist attack imminent in Australia?**

- Based on advice the Australian Government has raised the National Terrorism Public Alert level from medium to high.
- This is not based on knowledge of a specific attack plan but evidence that points to the increased likelihood of a terrorist attack in Australia.

**How long will Australia be on heightened security alert?**

- It is likely that we will be living with increased security for the foreseeable future.
- There is no need to change your daily routine. You should not change the way you live your life, but remember that terrorism is a threat here in Australia.

**As Neighbourhood Watch Members what can you continue to do?**

- Call for calm and offer reassurance particularly to socially isolated and vulnerable community members
- Continue to be the "eyes" and "ears" of your community. If something seems out of the ordinary, then it probably is.
- Report suspicious behaviours – know who to call
