

# Kuring-gai NSW Police Local Area Command (LAC)

**eNewsletter # 187 - 11 May 2015**

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in the Kuring-gai Police Local Area Command (LAC), which includes most of the Hornsby and Ku-ring-gai council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues. [Click here](#) to join our distribution list.

The eNewsletter includes a selection of posts from the Kuring Gai LAC Facebook page (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from an other Police command ("Crooks know no boundaries!"). Have you seen anything we should share with the community? [Click here](#) to email Gordon NHW. We do value your contributions. Thank you for your support.

Gordon/Killara Areas 24 & 12 NEWSLETTER May 2015

**Know the best crime prevention / A good neighbour!**

Please read the tips below and find out how to improve your home and community security. Have you an awareness of the crime in your area? Get crime information and timely advice, directly from the Police on Facebook, or via our weekly eNewsletter - Opt in via [julie@nwhgordon.com](mailto:julie@nwhgordon.com). It's the easiest way to stay ahead of the criminals. Report everything! Take Care. [www.facebook.com/nwhgordon](http://www.facebook.com/nwhgordon)

**Report down our ACPN:** The Gordon Area 24/12 Neighbourhood Watch annual get-together was held on Tue 18 December 2014. It attended: Bank Balance was reported as \$4,524.27.

**Tony McCosack**, from the Killara and Killara Council Neighbours - discussed the local issues we get annoyed about and how we can help as a community; graffiti, shopping trolleys, parking, litter, etc. We suggested two Apps that we could use to report problems within our community: **Scrap News** (better for illegal dumping, abandoned trailers, damaged signs, parking, etc.) **WandaTrack** - For reporting all graffiti. If we each report what we see, the neighbourhood can improve. The council and the Police can't act upon anything if they don't know about it. Let's take responsibility for our area - report everything, please!

**Don't Use Apps/Phone Neighbourhood Council on 9424 0000 and Horsley Police on 9475 9799.**

**Our Coo Paul Cleary**, our Crime Prevention Officer from Horsley Police Station gave us an update of the current crime situation. The biggest issue is the increased crime around unit blocks; the main concerns are mailboxes theft and theft from underground storage cages and vehicles. Paul gave advice, some of which has been incorporated into the 20 Family Crime Prevention Tip series. Paul shared FREE keyrings, screen scrap, note pads, car smelties, ballpens, HomeSafe, Personal Safety & Vehicle Safety brochures, Litter Black Book of Scams etc.

**Apartment Tip #3** Secure storage cage with a good padlock, triple hinge cage, with triple locking points.

**Apartment Tip #9** Reduce the chances of 'tailgating' by waiting until the doors/gates to your car park close completely after you, before moving further within. (More FREE 20 Tips available - please ask!)

**FREE "Our 20 Favourite Crime Prevention Tips for Apartment Security" and others** (eg for Bunkers, Car Owners - list available) in the series from [www.nwhgordon.com](http://www.nwhgordon.com) or phone Julia 9499 7412.

**Download the App? FREE! Emergency** from APP Police, gives your GPS location coordinates - very useful at any time, never mind an emergency, and fun for creating treasure hunts with the family! Get it!

**Freewatch:** Please LIKE our local friendly police: [facebook.com/nwhgordon](http://facebook.com/nwhgordon). This page has advice, warnings, wanted/lost images, missing persons, news, etc. We definitely LIKE it! Gordon NWH are on FB too: [www.facebook.com/nwhgordon](http://www.facebook.com/nwhgordon), & we LIKE them!

**After Australia Community Funding:** Thank you to Neighbourhood Watch Australia for the funding of the **BRANDNEW - My Garden Alert** project to supply high plate locking screws, as pre-empt at community events in Ru-rug-ge and Horsholt.

**What can I do?** Gordon NWH volunteers often help train Crime Prevention tables with the Ru-rug-ge Police at community events. Would you like to come to your event? Would you like to join in and share the Crime Prevention message in the community? It's not only worthwhile & educational, but fun! **FREE** high plate locking screws from [www.nwhgordon.com](http://www.nwhgordon.com). We need your car make, model & year. These special screws prevent the theft of your plates & subsequent use in fuel theft.

**11 24 44 Police Assistance Line (PAL):** Use this number to call the police to ask questions, to report non-urgent matters over the phone (eg lost property, damage, missing, cars stolen, minor car accidents, etc.)

**May 9,** Today Kuring-gai Police and Neighbourhood Watch were invited to the Orara Street Party in Waitara, organised by Hornsby Shire Council, Mission Australia, Australian Asian Cultural Association and Ability Links NSW. We had a big table full of crime prevention information and a little table busy with colouring-in and Mother's Day card-making. Thankyou for the invite. Thankyou for a great community afternoon, especially to all the people who dropped by and joined in with the fun. (maybe 350-400 people?) Thankyou to all those who organised the party and to those who helped on the day. Beautiful sunshine, with wonderful community spirit!

**May 9, Sydney Trains sniffing out graffiti thugs, via Transport NSW Info.**

Graffiti vandals are being arrested within moments of defacing train interiors, with a trial of new technology that automatically detects either spray paint or permanent marker, enabling Sydney Trains to track and record offenders in real time.

The trial is known as Mousetrap - because it catches vandals in the act.

An undisclosed number of Sydney Trains have been fitted with the detection system, which has so far led to the arrest of more than 30 offenders.

Mousetrap works by using an electronic chemical sensor which detects the vapour of both spray paint and marker pens. Live CCTV records and provides images directly to Sydney Trains staff.

## May 9, 'Lifetime' Netflix subscriptions: why buying from scammers isn't worth it.

Recently Australians were introduced to the joys of having simple, sanctioned access to Netflix as the streaming giant officially opened its doors down under. Alongside that, we also get to enjoy another online delight once limited to the US and other Netflix regions: Netflix criminals and dodgy shared-account scammers.

Seems legit: An eBay listing for access to a 'shared' Netflix account.

Now Australians are in on the act, bargain-hunters will have noticed eBay is filled with listings for so-called "lifetime subscriptions" to Netflix for as little as four dollars. All you have to do is pay once, log in with the details provided, never touch any of the settings ("no change password or account lost", one listing states), and enjoy unlimited Netflix forever. Sounds great, right?

NOISE ISSUES.....Here are the rules....

Contact Hornsby Police station 9476 9799

A poster titled "Noise Complaints" with the subtitle "Are you being too loud?". The poster features a speaker icon on the left and a person with a megaphone on the right. The text on the poster reads: "You may not think so - but your neighbours might. The definition of offensive noise is any noise that due to its level, nature or quality or the time of day/night or any other circumstances interferes unreasonably with the comfort or sleep of a person who is outside the premise (home/unit) from which it is emitted." It also states: "If your music is too loud or you are making a lot of noise and/or using offensive language the police may be called. If police attend you may be issued with a noise abatement notice; your music equipment could be confiscated and you could be fined. Be considerate of your neighbours." At the bottom, it says: "You should NOT play loud music or play musical instruments before 8am and after midnight on any Friday, Saturday or the day before a public holiday. Or before 8am and after 10pm on any other day (Monday - Thursday). To report noise or speak to the police contact Manly Police Station on: 9976 8099". The poster is branded with the NSW Police Force logo and a cartoon character.

**May 5, Teens Who Drink Alcohol And Energy Drink Mix Are Likely To Develop Abusive Alcohol Drinking Habits, Study Says.**

Mixing energy drinks with alcohol is a popular practice among college students, and a new study wants to show what effect this cocktail has among the adolescent population. The study was conducted by researchers at Dartmouth's Norris Cotton Cancer Center, led by James Sargent. Published in the Journal of Paediatrics, the study investigates the effects of the deadly cocktail that teenagers like to consume. Researchers found that teens who like to drink the mix are more likely to develop drinking disorders.

The owner of the camera has been found and has just collected it from Hornsby Police. A big thank you from the owner and from me a very big thank you to all in our community. **May 4, Located property; help needed to return a watch to its owner.**

In January a resident of Killara located a watch in his letter box after returning home from holidays. The watch is a rather unique and expensive ladies watch, has been sitting at Hornsby police station idling the time away patiently waiting for its timely return to its owner (pun intended). Police have searched records and can't locate its description in any report from a theft but believe it may be from the proceeds of a stealing offence. We would really love to return the watch to its owner. For obvious reasons we are not posting a photo of the watch, suffice to say there is Silver and Gold and a very unique brand involved. If you know of anyone who may have lost or had a watch stolen possibly from December to early January, please have them call the Hornsby police exhibits office. A photo

(wearing it) or very specific details would be needed to claim the watch. We trust the honesty of people.

**You can make a difference.  
Join Neighbourhood Watch today!**

**What will a Neighbourhood Watch program do for me?**

A Neighbourhood Watch program gives you permission to talk to your neighbours about keeping you, your neighbour and your community safe.

**A Neighbourhood Watch program teaches you how**

- To increase community communication and knowledge
- To reduce preventable crime
- To encourage reporting of criminal or suspicious activity
- To improve the quality of information passed on to police
- To improve the level of home security
- To improve personal safety
- To encourage property marking to help reduce the loss of items particularly for the elderly in your local community

**A joint police and community program.**

Neighbourhood Watch is a joint police and community program. Its success depends on **YOU**.

**What is Neighbourhood Watch?**  
Neighbourhood Watch is a community based safety and awareness program that aims to prevent crime, stop local isolation and improve the safety, security and quality of life for everyone in your community.  
A Neighbourhood Watch program gives people power and confidence to make contact with, and simply talk to, their neighbours.  
A Neighbourhood Watch program helps people feel more connected to each other in their community. Community participation and a shared responsibility for what is happening in your local neighbourhood can be vital to your safety.  
By communicating with your neighbours you can share important information that will help make your community a safer place. You and your neighbours are in the best position to notice when something unusual is happening in your area and to report any suspicious activity to police.

**Should I become involved with Neighbourhood Watch?**  
**YES!** We encourage you to take just a small amount of your valuable time to talk to your neighbours.  
If you are looking for a meaningful way to contribute to your life and your community then joining or starting a Neighbourhood Watch program in your community is an ideal way to achieve this. Join the vibrant body of volunteers in your local Neighbourhood Watch community.

**Crime prevention is everybody's responsibility**  
As part of a Neighbourhood Watch program, what do I have to do?  
You will support Neighbourhood Watch by encouraging effective community relations and providing crime prevention education in your local area.  
You can do this by being able to:  

- Communicate with your neighbours regularly
- Evaluate the safety and security of your home
- Take steps to improve areas of your home security where required
- Make a network of trust and contemporary crime prevention education and share this education with your neighbours
- Mark all items of value for police identification

 It takes many different people, working together as a team, to successfully build a Neighbourhood Watch program and promote its objectives.

**Five easy steps**  
You can be a part of the Neighbourhood Watch in five easy steps:  
**Step 1 - Identify NHDW Community Area:** It may be a cluster of homes around you, your street or a local block area.  
**Step 2 - Find some other neighbours:** After weeks of support waiting to be in a safer community and become part of a Neighbourhood Watch program network, other people will want to join. It just needs a neighbour to talk the first neighbour by asking them if they would like to be involved.  
**Step 3 - Register your community interest with your Local State Office:** It may not give it free to talk other local Neighbourhood Watch volunteers and your Local Police. The State Office can assist you in establishing your community program and provide you with all the information you need to get started and about keeping yourself and your community safe.  
**Step 4 - Talk to your neighbours:** Inviting them to meet in your home, garden or local pub. Discuss your own and talk about your community and the safety issues that concern you in your neighbourhood. Exchange ideas about how these issues may be solved.  
**Step 5 - Agree on a Community agreement:** To have a voice, someone needs to speak and take the lead. Establish how your neighbours should best receive information and how about your Neighbourhood Watch program or other items about crime and other related issues.  
**Register your community group by contacting your Neighbourhood Watch State Office.**  
 Register up to date crime prevention information to share with your community by registering with Neighbourhood Watch Australia at [www.nhwact.org.au](http://www.nhwact.org.au) - **JOHN NICHOL**  
**It is an easy. Keep informed on local crime prevention initiatives, strategies and trends so that you can best protect your personal safety and home security. Share this contemporary electronic information with your neighbours so that they too may be better prepared to reduce preventable crime.**  
 Go to [www.crimson.com.au](http://www.crimson.com.au) for information on what activities you can do to support your local police station.

### From the North Shore Times, 8 May:

#### Gordon

Two homes on Nelson St were broken into on Wednesday night and three businesses in St John's Ave had cash and a laptop stolen on Thursday.

#### West Pymble

Two homes in Yanko Rd were broken into between last Thursday and Saturday.

#### Roseville

A boy 17, crashed through a bus stop after hitting a power pole on Warringah Rd, near the intersection of Malga Rd about midnight on Thursday. The teenager from Chatswood was driving a silver Honda which dislodged the pole before driving through a brick bus stop. He was unhurt and police are investigating the crash.

**3 TURRAMURRA** A man from Turramurra was fined for offensive behaviour after police saw him urinating in Gas Lane, North Sydney, about 12.40am on Friday. He

told police he had been asked to leave the Greenwood hotel due to his intoxication.

**6 ST IVES** A house in Roma St, was burgled sometime between last Thursday and Saturday.

### From North Shore Times, May 8. Trick or treat turns into community meet:

#### NEIGHBOURS BECOME FRIENDS

WHAT started as a Halloween trick or treat trail to create some fun for their children has turned into a monthly event that is building community in a street of

apartment blocks.

“I hope we can encourage other apartment neighbourhoods to do something similar to meet their neighbours,” Ms Tuitahi said.

Edited from Pages 10-11.

**From the Hornsby Advocate, 8 May:**

**3 ASQUITH** Police are appealing for witnesses after a man was assaulted at a railway maintenance yard at Asquith on Sunday night. The incident happened just after 7pm when the man confronted two males not authorised to be on the Heath St site. Police said a struggle ensued during which the man was punched and kicked before the two males left. The 48-year-old was taken to Hornsby Hospital where he was treated for facial fractures, bleeding and a cut to his right ear. The offenders are described as aged between 17 and 20, of caucasian appearance with a thin build, and both were wearing black hooded tops and black shorts. Anyone with information is asked to call Hornsby police on [9476 9799](tel:94769799) or Crime Stoppers on [1800 333 000](tel:1800333000).

**6 HORNSBY** Three youths wearing railway uniforms and orange reflective vests are believed to be responsible for spraying graffiti on train carriages at the Hornsby railway yard on April 28. Police said the incident happened between 12.20pm and 1.30pm with the tags "Wesco" and "Future Posse 1000" sprayed on several carriages. Later that day, a train guard spotted a male in a school uniform taking photos of the graffiti. Police inquiries are continuing.

**8 MT KURING-GAI** Two laptops were stolen from Mt Kuring-gai Public School on Sunday night. Police said the thieves smashed a ground-floor window to access one of the rooms. A beige bomber jacket and a number of empty bottles of alcohol were located at the scene. A car parked near the school was also broken into on Sunday night. A packet of cigarettes, penicillin tablets and several shirts were taken from the car, which was parked in Leeming St. The owner's mother heard noises outside about midnight and saw a number of people near the car, including a female wearing a fur-trimmed hooded jacket sitting inside the vehicle. About 6.30am the next day a number of the shirts were located on the Church St bridge.

**9 HORNSBY** A \$90 pair of shoes was stolen from City Beach at Westfield Hornsby on Tuesday. Police said a teenager entered the store about 2pm and asked to try on a pair of shoes on show in the display counter. When the shop assistant gave her the shoes, she tucked them under her arm and ran from the store. The teenager is described as 15 to 16 years old, about 170cm tall, with a medium build and long, frizzy blonde hair that was in a ponytail style.
