

Kuring Gai NSW Police Local Area Command (LAC)

eNewsletter # 175 - 16 February 2015

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in the Kuring Gai Police Local Area Command (LAC), which includes most of the Hornsby and Ku-ring-gai council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues. [Click here](#) to join our distribution list.

The eNewsletter includes a selection of posts from the Kuring Gai LAC Facebook page (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from an other Police command ("Crooks know no boundaries!"). Have you seen anything we should share with the community? [Click here](#) to email Gordon NHW. We do value your contributions. Thank you for your support.

16 February: Detectives investigating an armed robbery, following a "lonely heart" advertisement have issued an arrest warrant.

Beau Robert Bartlett, aged 31, has an outstanding warrant in relation to an alleged armed robbery in Liverpool last December. It is believed Mr Bartlett has no fixed place of abode and is known to travel between New South Wales and

Queensland. When in New South Wales he is believed to frequent the south western suburbs and eastern beaches of Sydney, the Mid North Coast, and Moree.

He is described as being Caucasian in appearance, approximately 180cm tall, with a medium build, green/hazel eyes, and brown hair. He has a tattoo of a lion on his upper arm and a tattoo with the word "player" written in old English on his lower arm.

Anyone who sees Mr Bartlett is urged not to approach him, but instead to contact police immediately via **Triple Zero (000)**. Alternatively, anyone who has information about his whereabouts can call Liverpool Police via Crime Stoppers. Police are urging anyone with information in relation to this incident to call **Crime Stoppers on 1800 333 000**.

16 February, from North Shore Times: It's National Crime Stoppers Day, please save the number (1800 333 000) into your phone.

NSW Police want help to combat the impact of prohibited drugs, especially methylamphetamine ("ice"). Ice is often manufactured in clandestine labs in apartments, homes and factories at a risk to the health and safety of neighbours.

The seven signs that could indicate a drug house are:

- “ Strange odours
- “ Diverted electricity
- “ Chemical containers and waste

â€“ Blacked-out windows

â€“ Hoses and pipes in strange places

â€“ Blinds down, with bright indoor lighting radiating through gaps

â€“ Vehicles arriving at odd hours

When four distressed young women knocked on the door of her Castle Hill home on Wednesday evening 86-year-old *Doris (not her real name) didnâ€™t think twice about helping them.

11 February: This year, the NSW Police Force celebrates 100 years of women in policing.

Weâ€™ve come a long way since our first two female Special Constables were employed in 1915 â€“ from wearing only plain clothes (1915), to being issued

firearms and provided with the same training as men (1979), to being able to join after getting married (1980). Women now perform a broad range of roles and occupy senior positions in the Force.

To celebrate this milestone, weâ€™re holding an expo at Darling Harbour on Sunday 1 March 2015. The expo will showcase the history of the NSW Police Force, and past and present achievements. There will Q&A sessions and demonstrations from the Mounted Unit, Dog Squad, Rescue and Bomb Disposal Unit, and Forensic Services Group, to name a few. Entry is free, so everyone is encouraged to come along for a family friendly day.

Time and date: 9am â€“ 5pm, Sunday 1 March 2015

Location: Tumbalong Park, Darling Harbour, Sydney

Entry: Free

Branch in 1948. The women developed their own uniform, based on military uniform with a male police cap.

Mail theft is increasing in all areas of Sydney, the Hornsby/Kuring-gai area has now become a prime target of these thefts. The primary reasons for the thefts are identity theft or credit card theft and the associated frauds.

High rise buildings are targeted due to the large number of mail boxes in a confined location.

With the increase in the number of high rise units being built, the problem won't go away easily, unless people take an active role in reducing their risk. Simple things like changing the lock to a more secure lock, making sure mail is cleared and checked regularly also have any credit or debit cards sent to the bank direct and collected from there.

TOOLANG OVAL, St Ives - 9am til 1pm Sunday 15 February 2015 Crime Prevention & Community Safety Day

Thank you to everyone involved with yesterday's event, especially the person who fixed the sunshine for us. Although the turnout was disappointing (maybe 200?), our Crime Prevention Officer, S/C Paul Cleary, remarked that we are "steadily chipping away and making a difference". This is shown by the comments posted to the Kuring Gai LAC Facebook page (see above). Many of the the locals came and said how they appreciated having us there. We know the day also generated a significant donation to an organisation, two applications to join one organisation, fund-raising for another organisation and two new Neighbourhood Watch volunteers!

From Hornsby Shire Council, February 12: Protect Your Pet Rabbits Against Virus Release

From the Hornsby Advocate, 12 February:

Vandalism shatters dreams

A **WAHROONGA** small businessman has expressed his disappointment and anger after spending six months building a one-of-a-kind trailer only to have it smashed by vandals. With limited funds Robert Casey built the trailer using recycled materials to help kickstart his new venture, The Wooden Bed Co. Mr Casey said the trailer was parked in Edgeworth David Ave, Wahroonga, near the M1 Pacific Motorway overpass, when it was vandalised.

“The damage in parts was quite extensive and it will require remodelling before it can be used again,” Mr Casey said. “A very disappointing result after a lot of hours went into its making.”

**Falling pine cones pose risk CONCERNS OVER SAFETY OF STUDENTS
WAITING FOR BUSES [edited]**

HUGE pine cones falling from trees outside Pennant Hills railway station are posing a serious risk for school students waiting for buses. The cones, which are the size of bowling balls, are dropping from two bunya pine trees overhanging bus shelters in Station St, where students wait for buses.

.....

A Hornsby Council spokesman said: "We do cut the nuts off every year and a contractor will do it as soon as possible. It's happening slightly later this year than usual due to unforeseen circumstances, but it's on the list of tasks to do and it will be taken care of soon."

POLICE URGE: "GET YOUR HAND OFF IT"

It's a good time to remember that using a mobile telephone while you are driving is illegal. It is a distraction from concentration and we are seeing more and more serious accidents arising from drivers not concentrating on the road. The law now is quite simple. You are not allowed to touch your phone unless it is in a proper cradle or you are handing it to a passenger to answer the call for you. The penalties are severe, including fines in excess of \$300 or \$400 in a school zone with the loss of three or four points respectively. Besides the fine, imagine if you ran over a pedestrian.

WEST PENNANT HILLS Police want to speak to any witnesses to a single vehicle crash in West Pennant Hills on Friday afternoon. Initial investigations suggest a silver Mercedes was travelling west on Eaton Rd about 5pm when it left the road and crashed into a tree. The driver, a man aged in his 30s, was taken by CareFlight helicopter to Westmead Hospital with severe head injuries. Anyone with information phone **Crime Stoppers on 1800 333 000**.

From the North Shore Times, 13 February:

SECURE MAILBOX TO PREVENT THEFT

Mail theft is increasing in Sydney and the north shore has become a prime target. The primary reasons are identity or credit card theft and the associated frauds. High-rise buildings are targeted due to the large number of mailboxes

3 LINDFIELD

Police arrested three men after a pursuit in North Sydney ended at a dead end road in Lindfield on February 3, about 4am. Police from Botany Bay attempted to stop a car for an RBT, which allegedly took

off and was lost in backstreets. A dog squad vehicle spotted the car on the Warringah Freeway at 3.38am and a pursuit ended when three people abandoning the car.

The front and rear passengers tried to run

but were grabbed by a police officer in a flying tackle. The driver fled and a search by the dog squad failed to find him. After the dog squad left, the driver emerged from a nearby oval and said he would have surrendered earlier but didn't want to get bitten by the dog. A search of the vehicle allegedly found a large number of power tools.

The following incident isn't our area, but is a reminder to us all!

9 NORTH SYDNEY A
