

Neighbourhood Watch in Ku-ring-gai and Hornsby

eNewsletter #545 - 22 March 2022

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in Ku-ring-gai and Hornsby council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues.

The eNewsletter includes a selection of posts from our local police at the [Ku-ring-gai PAC Facebook page](#) (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from another Police command ("Crooks know no boundaries!").

 Have you seen anything we should share with the community? [Please email](#) our NHW in Ku-ring-gai & Hornsby volunteers. We do value your contributions and thank you for your support.

 Please feel free to [share/forward this eNewsletter](#) with your friends, family, colleagues and neighbours.

18 March, from NSW Police Force: An important message from the Child Abuse and Sex Crimes Squad

Child Abuse and Sex Crimes Squad investigators are reminding parents to be aware of the dangers of online predators, after five men were charged with alleged online grooming offences detected across the state in just over a week. Commencing last Wednesday (9 March 2022), the Child Exploitation Internet Unit (CEIU) executed a number of search warrants in the state's Central West and Southern Tablelands as part of investigations into online child exploitation. Child Abuse and Sex Crimes Squad Commander, Detective Acting Superintendent Adam Powderly, said in each instance police will allege in court

that the men believed they were talking to a child or parent of a child, and expressed desires to engage in sexual activity with the child.

18 March, from Ku-ring-gai Command:

With the advances in electronic communication, criminals don't necessarily need to be face to face to steal from you. Scams are constantly evolving and scammers can go to great lengths to cause people to part with money or information.

Scammers may pretend to be from your bank or a service provider, offer sports betting or short term investment opportunities. They can claim the ability to return owed monies from overseas, often romance and dating opportunities plus numerous other approaches. On the surface these may appear to be genuine.

HERE ARE SOME SIMPLE STEPS TO HELP PROTECT YOURSELF AGAINST SCAMMERS.

IF IT SOUNDS TOO GOOD TO BE TRUE . . .

NEVER send money or give credit card or online account details to anyone you don't know and trust.

ALWAYS seek independent financial and/or legal advice before making any investment or purchasing decisions.

NEVER rely solely on advice from the person trying to sell you the service or investment.

DOOR TO DOOR SALES OR 'TRADIE SCAMS'

DON'T be pressured into signing or paying up front.

ALWAYS research a company or service provider prior to paying or agreeing to a contract.

ALWAYS read any contract or service paperwork carefully prior to paying for any work.

PROTECT YOUR PERSONAL INFORMATION

NEVER give your personal or bank account details to people you don't know and trust.

ALWAYS contact your bank, financial institution or service provider if you have been contacted by a scammer.

DON'T use the numbers provided on the email to confirm an email's legitimacy before replying.

DON'T TAKE THINGS ON FACE VALUE

DON'T be fooled by an email that looks legitimate or appears to link to a genuine website.

DON'T open suspicious or unsolicited emails (spam) – ignore them.

ALWAYS beware of 'Cold Calling' and confirm who you are actually talking to.

18 March, from Traffic and Highway Patrol Command

Officers attached to the Traffic Response Group charge a 32 year old man from Stanhope Gardens with Drive Speed Dangerous following a speed detection of 230km/h at Mount Colah.

On Saturday 12th March 2022 officers were taking part in Operation Upright. The high visibility operation began due to an increase in serious injury and fatal collisions involving motorcycles. About 2:20pm whilst patrolling the Old Pacific Highway between Berowra and Somersby officers observed a Yamaha R1 overtaking multiple vehicles across double unbroken centre lines near Hawkebury River Bridge. Officers conducted a U turn but were unable to stop the rider who entered the M1 Motorway using a slip road.

The motorcycle accelerated harshly away from police and was travelling well in excess of 200km/h, officer ceased any attempts to stop the motorcycle due to the extreme risk to the public and rider. Utilising available footage officers were able to calculate the speed of the cycle at no less than 230km/h and no more than 260km/h. Further investigation was able to identify the number plate of the motorcycle.

A 32 year old man from Stanhope Gardens attended Burwood Police Station on Monday 14th March 2022 where he made full admissions to being the rider of the cycle at the time of the offence. The rider further stated he believed he was doing 250km/h and panicked at the time as he was subject to good behaviour conditions on his licence. He was charged with driving in a speed dangerous to the public and exceeding the speed limit by more than 45km/h. His drivers licence was suspended on the spot and the registration plates of his motorcycle seized. He will attend Hornsby Local Court on the 28th April 2022.

Hi Everyone,

Just a heads up that the My Macca's app is not secure and a number of people

are having orders made from other states. We lost nearly \$100 from an order made at the Bracken Ridge McDonalds in QLD. Bank can't help because the security in the app itself was breached.

McDonalds don't want to know about it.

There are numerous other people in the same situation, just check out the McDonalds Aust FB page.

Thank you for contacting McDonald's Customer Service.

We are sorry to hear that an unauthorised transaction has been processed with your details.

We are not aware of any security breaches to our systems and are at a loss as to how this fraudulent activity has occurred on your bank account. We would recommend the below:

- We would suggest changing your frequently used passwords immediately. We would suggest doing this for more than the MyMacca's App, as accounts linked to your email may also have been compromised.
- We would suggest you dispute the charge with your financial institution so they can investigate further for you.
- We would also recommend contacting the Australian Government Cyber Crimes unit to report this activity. More information can be found at <https://www.cyber.gov.au/report> and <https://www.acorn.gov.au/>
- If you wish to do so, you can also contact your relevant state police to report the crime and receive a reference number from them regarding the incident.

If you wish to remove your card details on the application, please open the application, and select the 'More' option at the bottom right hand corner of the app. If you then open Payment Methods, you will be able to remove the card that is currently saved there. If you wish to take the step to delete your account, you are able to do so in the previous menu.

If you could also confirm the email address linked to your account and the date and location of the unauthorised purchases, we will follow up with our Digital team and arrange for any other users using your payment details to be blacklisted.

We understand that this situation is frustrating, and hope that your financial institution is able to assist in getting this resolved for you.

Kind regards,

Kate

A 41-year-old man has been arrested and charged with producing child abuse material after officers linked the man to a Kik account.

The AFP-led Australian Centre to Counter Child Exploitation received a report from the United States' National Center for Missing & Exploited Children in September 2021 relating to the upload of child abuse material by a Kik user.

Enquiries by AFP Child Protection Officers allegedly linked the Central Coast man to the Kik account.

The man was arrested yesterday and charged with 18 counts of child abuse-related offences, including seven counts of produce child abuse material.

Police were notified and officers attached to North Shore Police Area Command commenced an investigation.

The man police would like to speak with is of Indian Sub-Continental appearance, believed to be aged in his 20s, about 160cm tall, slim build with broad shoulders, and acne on his face. He was last seen wearing a black jumper, black tracksuit pants, black shoes and was carrying a backpack.

WARNING FOR PARENTS

The following incident was advised to Lane Cove West Primary School Parents via their skoolbag app yesterday afternoon:

"An 11-year-old boy was approached today at a bus stop this morning in the Lane Cove area. A car pulled up and the driver remained in the car and the passenger got out of the car. He came up to the child and said the school buses were not running and the school was sending Ubers to pick up the kids and take them to school. To his credit, the child refused to get in the car. The man persisted with the story and luckily an adult who was nearby overheard and stepped in. The family involved has reported the incident to the police but wanted to share the story as a reminder to keep the conversation around safety open and ongoing."

The Missing Persons Registry are appealing for public assistance to help locate a Malaysian national missing since late 2020 in Sydney.

Jacky Chong Kai Wong – aged 25 – had been living in Sydney since 2016 and last made contact with a family member in Malaysia by phone on Monday 28 December 2020.

He has not been seen or heard from since and was reported missing to international authorities last August (2021).

The State Crime Command's Missing Persons Registry has since commenced inquiries after receiving notification of Wong's disappearance through Interpol. Initial inquiries to locate Jacky have so far been unsuccessful and police are appealing for anyone with information about his whereabouts or movements to come forward.

Police and family hold serious concerns for his welfare as his disappearance is out of character.

Jacky is described as being of Asian appearance, about 175cm tall, of medium build, and short black hair. He may be wearing glasses. He was last known to frequent the Sydney CBD and Burwood areas.

Anyone with information about Jacky's whereabouts is urged to contact Crime Stoppers on 1800 333 000 or visit [site here](#). Information is treated in strict

confidence. The public is reminded not to report information via NSW Police social media pages.

It is not only adults who are affected by domestic violence.

Children who live in homes where domestic and family violence occurs are at risk of harm and actual injury.

Whether a child witnesses domestic and family violence, is in another room when an assault occurs, or attempts to intervene to protect their parent, the impact upon children exposed to violence in the home is serious.

If you see, hear or know about domestic violence happening in a home, you must call Triple Zero (000) immediately.

Tip #1. AT THE END OF THE DAY, REMOVE ALL MONEY FROM THE CASH REGISTER AND DISPLAY THE EMPTY DRAWER AS A MESSAGE TO POTENTIAL THIEVES.

Tip #2. DO NOT LEAVE YOUR HANDBAG, PHONE, KEYS, ETC BEHIND THE COUNTER. Thieves will distract you, reach over the counter and take your property.

Tip #5. INSTALL GOOD QUALITY SECURITY LIGHTS AND/OR SENSOR LIGHTS AROUND THE PERIMETER TO PROVIDE MORE EFFECTIVE ILLUMINATION AT NIGHT.

Tip #17. DO REGULAR STOCK TAKES, EVEN HOURLY, IN ORDER TO NARROW THE TIME FRAME OF A THEFT. This enables CCTV to be checked more effectively.

Tip #20. ENSURE ALL EMPLOYEES KNOW ALL PHONE NUMBERS & CONTACT DETAILS FOR EVERY KIND OF EMERGENCY. REPORT EVERYTHING THAT DOESN'T APPEAR TO BE RIGHT. Trust your instincts. Warn fellow businesses.
